# Travel safe with TravelCell

### Rent a Global Cell Phone in 200 countries -

Most U.S. cell phones and phone plans do not work outside North America, even though you'll want to be accessible to your family or office. Now you can travel to over **200 countries** with a working cellular phone!

Normal rental fees are cut in half for members, so you can rent global cellular phones for as little as **\$14.99 per week**. All phone kits include a state-of-the-art cellular phone, a fully-charged battery, rapid travel charger, leather case, belt clip and carry case. Per minute rates are the guaranteed lowest and vary by country. Monthly rental rates and student specials are available too!

**Phone and Number Provided Before you Travel - Return Shipping Made Easy !**

### Rent a Satellite Phone on your next remote trip -

When work or pleasure take you to remote areas of the world, where there is no cell phone coverage, a regular cell phone won't work in those situations. If you need to keep in touch with your family and/or office or, in the event of an emergency, you should have a satellite phone with you.

Rent one from TravelCell before you leave. Satellite phone rentals are a flat \$129.99 for the first week (a minimum of one week's rental is required and additional weeks are only \$49.99). Incoming calls are free!\*

\*Satellite phone rental: Incoming calls are free and out-bound calls to any iridium satellite and non-satellite phone are \$2.49/minute; to any non-iridium satellite phone - \$13.50/minute. All phones are shipped to you with a convenient return envelope, label and phone number before you depart. Rates are subject to change—call for the most recent rates and information below.
