

KEY BENEFITS

By partnering with our network of local haulers across the country, Rubicon continues our mission to eradicate landfills and bring transparency to an age-old problem held by the waste industries leaders.

➤ TRULY SUSTAINABLE

Rubicon's mission is to be landfill free – focusing on waste diversion by partnering with haulers with the same mission.

➤ PRICE TRANSPARENCY

Rubicon eliminates all taxes & fees typically found on competition's bills. We also strive to save customer's 20% and honor our lower rate for 36 months.

➤ CONTRACT BUYOUT

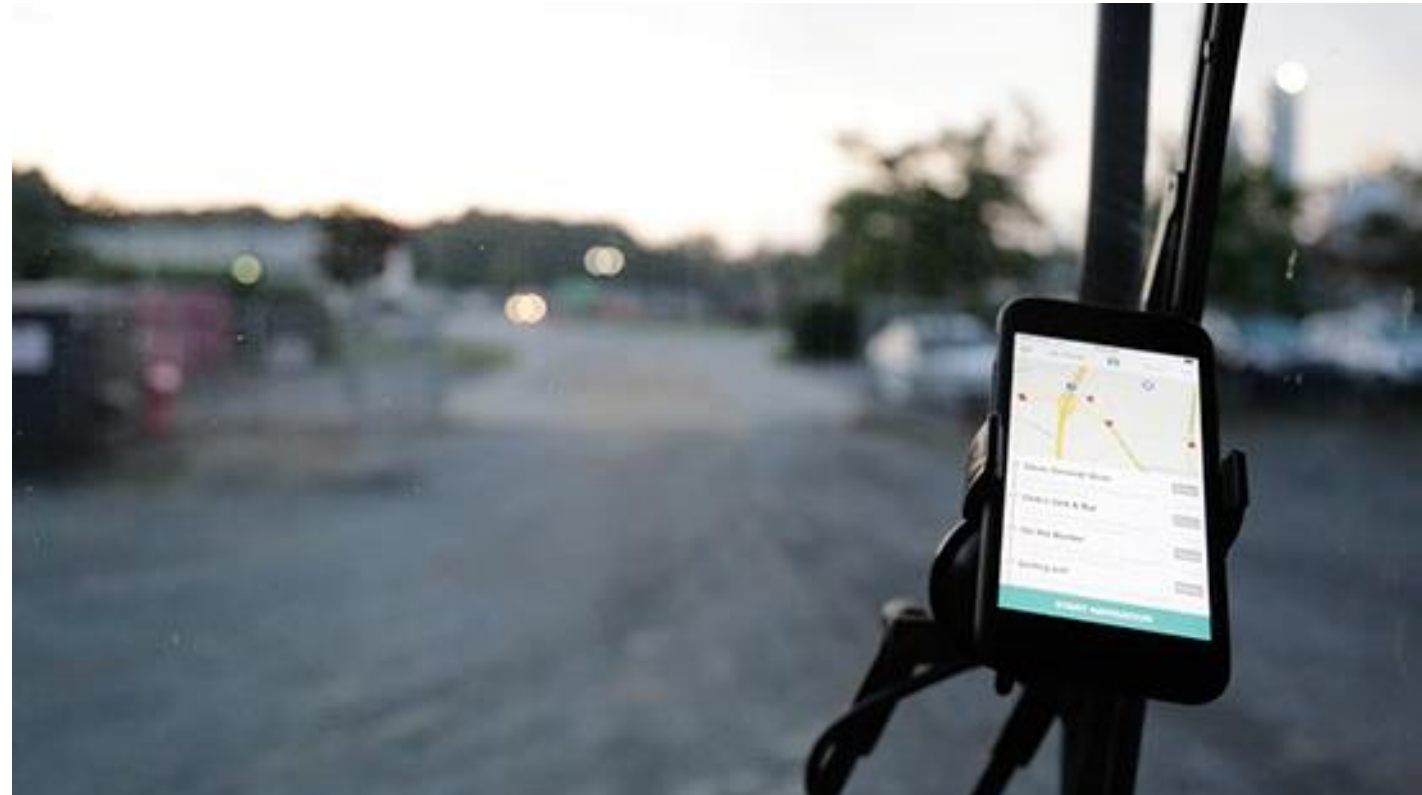

Rubicon pays early termination fees to break a customer's current contract. This allows us to earn new business immediately, without waiting for a customer to be out of contract.

➤ SIMPLIFIED TRANSITION

Rubicon manages the entire transition process from customer's previous provider to our hauler, including: canceling their current contract, paying early termination fees, and coordinating bin swap.

➤ LOCAL HAULERS

Rubicon partners with local waste haulers across the country, supporting small business.
