

Running a franchise is complicated –  
managing your people doesn't have to be.

A more human resource.™

## Employee solutions from ADP® are here to help.

To help grow or maintain a successful franchise, you should:

- Manage your cash flow
- Save time by minimizing administrative tasks
- Comply with federal, state and local laws

When you think about the part of your business that impacts all three, it's your people.

ADP makes it easy to take care of your team every day, every step of the way. From onboarding to retirement, payroll to compliance, our employee solutions help you focus on the franchise you've worked so hard to build.
